

ATTENTION ALL ALIGN SENIOR CARE VIRGINIA PROVIDERS:

February 7, 2022

As of January 27, 2022, Virginia is declaring a state of emergency in response to the severe winter storms forecasted.

The following accommodations for Align Senior Care members will be in place for the duration of the state of emergency:

- Members may receive Part A/B and supplemental Part C plan benefits at non-contracted facilities. Part A/B benefits must still be furnished at Medicare certified facilities.
- All required referrals are waived in full.
- Plan approved out-of-network cost sharing is reduced to the in-network cost share amounts
- The 30-day notification requirement to inform enrollees of all the changes that would benefit them (like the reduction of cost sharing and authorization waiving) is also waived.

This declaration will be in effect as of January 27, 2022. It will remain in effect until February 26, 2022.
